

BRINE HAULERS PROOF OF INSURANCE REQUIREMENTS

(REV913)

Section 1509.222 of the Ohio Revised Code states in part, “a certificate issued by an insurance company authorized to do business in this state certifying the applicant has in dollars bodily injury coverage and three hundred thousand dollars property damage coverage to pay damages for injury to persons or property caused by the collecting, handling, transportation, or disposal of brine. The policy shall be maintained ineffect during the term of the registration certificate... The policy or policies providing such coverage shall require the insurance company to give notice to the Chief if the policy or policies lapse for any reason”.

PLEASE NOTE:

The insurance policy must meet the requirements of \$300,000 for bodily injury and \$300,000 for property damage. A combined single limit of \$300,000 for bodily injury/property damage will not meet the requirements. Combined single limits for property damage/bodily injury must equal or exceed \$600,000.

Questions concerning the insurance requirements should be directed to Erica Freeman in the Surety Section at (614) 265-6900.
