**PREPARED DIRECT TESTIMONY**

**SLOANE FORD – LANDMAN**

1 **Q1. Please state your name and identify your employer.**

2 A1. My name is Sloane Ford and I am a Landman with Antero Resources Corporation.  
3 Antero is a Denver based exploration and production company engaged in the  
4 development of oil and gas properties in the Appalachian Basin. Our offices are located  
5 at 1615 Wynkoop Street, Denver, Colorado 80202.

6 **Q2. As a landman, what are your professional responsibilities?**

7 A2. As a landman I am responsible for managing field brokers, negotiating lease acquisitions,  
8 and handling title matters for our operations in the Utica Shale. I have also been  
9 responsible for overseeing our unitization efforts with regard to the subject Unit.

10 **Q3. Please summarize your educational background.**

11 A3. I graduated from the University of Oklahoma with a Bachelor's degree in Business  
12 Administration with an emphasis in Energy Management.

13 **Q4. What is your employment history?**

14 A4. I began working for Chesapeake Energy in April of 2010 based in Oklahoma City, OK. I  
15 worked the Barnett Shale located in Fort Worth, TX for the two years I spent at  
16 Chesapeake. I began working for Antero in March of 2012. I have been working the  
17 Marcellus Shale located in West Virginia for the past two years. I have recently started  
18 working the Utica Shale, where I will be a part of developing the play through lease  
19 acquisitions and negotiations, acreage exchanges, title review, unit formation, wellbore  
20 planning, joint operating agreement negotiations, various permitting responsibilities, as  
21 well as other related Landman duties.

22 **Q5. Do you belong to any professional organizations or associations?**

23 A5. I am a member of the American Association of Professional Landmen and the Denver  
24 Association of Professional Landmen.

25 **Q6. Do you have any prior experience with unitization applications?**

26 A6. I have been involved with pooling, or other unitization statutes, of oil and gas interests in  
27 each of the states that I have worked in and have been involved with the preparation of  
28 this Application for the Loraditch Unit.

1 **Q7. Can you briefly describe the proposed Loraditch Unit?**

2 A7. The Loraditch Unit consists of 49 separate tracts of land, totaling 663.259 acres more or  
3 less in Monroe County, Ohio.

4 **Q8. What are Antero's plans for developing the Loraditch Unit?**

5 A8. Within the Loraditch Unit we plan to drill and complete 6 horizontal wells, all to be  
6 drilled from the same surface location at the south end of the Unit. Exhibit 4-A depicts  
7 the surface location as well as the planned wellbore path for each of the 6 Loraditch Unit  
8 wells. We would like to drill the initial well, being the Loraditch Unit 1H, in March of  
9 2015, with the other 5 wells to be drilled immediately following. Development of the  
10 Utica in this manner is ideal as it provides several economic and environmental benefits.  
11 Drilling, completing, and producing multiple horizontal wells from a single surface  
12 location provides maximum production efficiency while substantially reducing the  
13 disturbed area and surface impact. This type of development will also protect the  
14 correlative rights of the mineral and working interest owners within the unit.

15 **Q9. What is Antero's Interest in the Loraditch Unit?**

16 A9. Antero and its Working Interest partners Eclipse Resources I, LP, Eclipse Resources –  
17 Ohio, LLC, and Gulfport Energy Corporation, own the oil and gas rights to 659.424 acres  
18 of the proposed 663.259 acre unit, which is 99.42179% of the Unit. Antero acquired its  
19 working interest in this Unit through the acquisition of a portion of Eclipse's existing  
20 leasehold interest as well as our own independent leasing effort. Specifically, Antero  
21 purchased a 70% interest of Eclipse's leasehold in this area of the state, of which  
22 approximately 16.515 acres fall within the Loraditch Unit. This represents 2.48997% of  
23 the Unit. We also had numerous field agents run title and work with mineral owners in  
24 order to obtain additional leases covering 592.3911 acres. In all, through its various  
25 leasing efforts, Antero has acquired the rights to approximately 91.80518% of the  
26 Loraditch Unit.

27 **Q10. Can you summarize the terms upon which Antero has offered to lease tracts within  
28 this Unit?**

29 A10. Antero has been actively pursuing and acquiring oil and gas leases in this general area and  
30 in this Unit specifically for almost two years and has been offering fair market bonus and  
31 royalty terms along with a fair lease form. Of the leases that we acquired in this Unit

1 over the past year, the average bonus consideration that we have paid is \$4,552.00 per  
2 acre. The highest lease bonus consideration that we gave to an individual was  
3 \$5,900/acre. All of the leases that we have taken over the past year have been at an  
4 average of 18.5% royalty.

5 **Q11. Were your leasing efforts successful?**

6 A11. Overall, I would say yes, they were. Despite our best efforts, however, we were unable  
7 to lease 2 tracts representing a total of 3.835 acres.

8 **Q12. Can you provide any additional information about these 2 unleased tracts?**

9 A12. These two tracts have had numerous missing heirs. We have made reasonable efforts to  
10 locate and contact all of the heirs of Frank Mercer, but there is an open ended family tree  
11 based on the little information provided by the locatable heirs. Several of the heirs whom  
12 we have addresses for are unresponsive to our certified letters and phone calls. We have  
13 used several different tools for locating the heirs such as Juli Clausen at Peoplefinder and  
14 other useful internet sites. We also mailed certified copies to known addresses. There are  
15 two unleased tracts in this unit, Parcel Numbers 21-007015.0000 and 21-007015.1000,  
16 which combined total 3.835 acres, or 0.5809% of the unit. Antero has been unable to  
17 definitively identify who owns the mineral interests in these tracts. The tracts are owned  
18 by the heirs of Frank Mercer. Subsequent to Frank Mercer's death in 1937, his four  
19 children left Monroe County, Ohio and settled in various parts of the nation. As of the  
20 filing of this application, 72 heirs have been identified but others may exist. Of the heirs  
21 that have been identified, 55 have been leased. Because of the possibility that other  
22 unknown heirs may exist, Antero cannot say with any certainty what % interest any of the  
23 Mercer heirs holds. Each owns some percentage less than 0.5809%. Antero is filing this  
24 application to put unknown heirs on notice of Antero's plans to operate the tracts as part  
25 of the Loraditch unit and to obtain certainty as to the interest possessed by each Mercer  
26 heir. The attached lease log [Exhibit 4-D] details the efforts that we have made in an  
27 attempt to reach an agreement with the unleased owners, including mailing certified  
28 letters with our lease offer and terms, multiple phone calls, in person visits, and so forth,  
29 but even with our continued efforts, we have been unable to finalize a lease agreement  
30 with these remaining owners. The attached plat [Exhibit 4-A] identifies the unleased

1 tracts as those being highlighted in red. Additional information about the owners of these  
2 tracts is found in Exhibit 1-A.3 to the Unit Agreement.

3 **Q13. Can you briefly summarize the terms of the Unit Agreement?**

4 A13. The Unit Agreement, which is attached to this application as Exhibit 1 combines the oil  
5 and gas rights as to fifty feet above the top of the Utica Shale to fifty feet below the base  
6 of the Point Pleasant formation, such that we can uniformly operate the Loraditch Unit as  
7 though it were a single lease. Pursuant to the Unit Agreement, we will allocate the  
8 production proceeds from the Loraditch Unit among royalty interest owners and working  
9 interest owners based on a surface-acreage basis. Our geology testimony stated that the  
10 target formation thickness and reservoir quality of the Utica formation is expected to be  
11 consistent across the entire unit and therefore allocation based on surface acreage is  
12 appropriate. Under the surface acreage allocation, each tract will be given its  
13 proportionate percentage by dividing the tract acreage by the total unit acreage, both of  
14 which have been calculated by certified survey.

15 **Q14. How are unit expenses paid?**

16 A14. Unit expenses will be allocated and paid by the working interest owners using the same  
17 method. Royalty interest owners will not pay unit expenses and will only be responsible  
18 for their proportionate share of taxes and post-production costs, which will be payable  
19 only from their share of proceeds.

20 **Q15. Who makes decisions about how the Unit is operated?**

21 A15. Antero is the Unit Operator and makes operations decisions for the unit, in accordance  
22 with the terms of a unit operating agreements it has with the various working interest  
23 partners.

24 **Q16. How does Antero propose treating unleased parties within this Unit?**

25 A16. We are requesting that the unleased owners be offered two fair market options, which  
26 would allow us to develop this unit as planned and in the most efficient way possible,  
27 while also providing these owners with fair compensation for the inclusion and  
28 development of their minerals. Accordingly, we request that the Chief's Unitization  
29 Order give the unleased parties a 30 day option to select from the following options:  
30

1 (1) Leasing at \$6,200 per acre plus an 18% royalty [High Bonus Option] of the oil and  
2 gas produced from any well drilled pursuant to the Order, free and clear of all costs,  
3 expenses and risks incurred in connection with the drilling and completing any such well;  
4 provided that such royalty shall be payable only as to the proportionate amount the  
5 acreage placed into the unit bears to the total acreage in the unit.

6  
7 (2) Leasing at \$5,500 per acre plus a 20% royalty [High Royalty Option] of the oil and  
8 gas produced from any well drilled pursuant to the Order, free and clear of all costs,  
9 expenses and risks incurred in connection with the drilling and completing any such well;  
10 provided that such royalty shall be payable only as to the proportionate amount the  
11 acreage placed into the unit bears to the total acreage in the unit.

12 Given the number of heirs to the Mercer tracts, and the relatively small percentage  
13 interest any such heir would possess in those tracts, for both of the foregoing options, if  
14 the per acre lease bonus is calculated to be less than \$500, Antero proposes a \$500 lump  
15 sum lease bonus in lieu of the per acre lease bonus and a royalty of 20%.

16 The interest relinquished under the above options would be limited in depth and time as  
17 to the unitized formations and the term of the Unitization Order. Moreover, there would  
18 be no surface operations authorized unless specifically agreed to by Antero and the  
19 unleased owner. If an unleased party does not make a selection within the 30 day  
20 timeframe, we request that the Chief's Unitization Order treat the unleased party as if it  
21 had selected the High Bonus Option.

22 **Q17. Is this a fair offer in your opinion?**

23 A17. Yes. The two options provided represent the current market value of leasing in this unit,  
24 which was determined by looking at the open market transaction over the past year within  
25 the unit. Therefore, I believe that the options above would provide an equitable solution  
26 to both the leased and unleased owners. Other states including Oklahoma and Colorado  
27 also employ similar lease options in their Unitization or pooling proceedings.

28 **Q18. Does this conclude your testimony?**

29 A18. Yes.

Tract	Owner	Parcel	Net Acres	Address
27	George Theiss and Mila	21-007015.0000	2	2607 Woodward Rd Cuyahoga Falls, OH 44221

02/19/2014	Russ Knopp called George Theiss. Left Message
02/24/2014	Russ Knopp sent Letter with Oil and Gas Lease offer.
02/24/2014	Russ Knopp talked to Mila Theiss. George Theiss was at work.
02/26/2014	Russ Knopp talked to Mila Theiss. George Theiss was out of town.
03/03/2014	Russ Knopp talked to Mila Theiss again. George Theiss was expected to be back 3/5.
03/11/2014	Russ Knopp talked to George Theiss. George Theiss does not know what needs to be done to clear the title into his name.
04/08/2014	Russ Knopp left a message.
04/08/2014	Russ Knopp talked to George Theiss. Russ Knopp told George Theiss about Antero's plan to contact all known heirs and to offer a bonus of \$500 flat for signing an Oil and Gas Lease. George Theiss asked for a little bit of time so George Theiss could talk to some of the older living heirs and an attorney to find out his options.
04/15/2014	Russ Knopp sent a certified letter with an offer of \$500 flat and 20% royalty.
04/16/2014	Russ Knopp emailed George Theiss and Mila Theiss regarding the certified letters being sent out.
04/17/2014	George and Mila Theiss received the certified offer letter.
04/21/2014	Russ Knopp received the return certified notification.
05/15/2014	David Zamarripa left a message for George Theiss.
05/15/2014	David Zamarripa spoke with George Theiss' attorney. George Theiss would like to move the SURFACE ESTATE ONLY into his name, or into a trust.
05/21/2014	David Zamarripa left a message for George Theiss.
05/21/2014	George Theiss agreed to let David Zamarripa send an Oil and Gas Lease packet to George Theiss and Gary and Elsie Theiss. George Theiss is also going to provide David Zamarripa information on William Theiss Jr. and Christy Theiss.
05/22/2014	David Zamarripa sent Oil and Gas Lease packet via USPS.
05/27/2014	David Zamarripa spoke with George and Mila Theiss. They do not like our lease form and want to have their attorney (Maistros and Loepp) speak with Vasanth Ananth and David Zamarripa.
05/29/2014	left a voicemail for Thomas Loepp.
05/30/2014	Vasanth Ananth spoke with Thomas Loepp and offered to send Oil and Gas Lease for redline. Mr. Loepp refused to accept our Oil and Gas Lease for review. Vasanth spoke with Mila Theiss to advise her of the situation.
07/15/2014	David Zamarripa spoke with Thomas Loepp. Mr. Loepp stated that George and Mila Theiss have not retained him as legal counsel yet, but that we will receive a copy of Antero's Oil and Gas lease for review. David Zamarripa sent a copy of our OGL in word form for Mr. Loepp to redline review. TLoepp@bizlawfix.com is the email address where the OGLs were sent.
09/29/2014	David Zamarripa spoke with George and Mila Theiss. They would like to probate the estate of Frank Mercer and were wanting some help from Antero doing so.
