SECOND SUPPLEMENT TO APPLICATION

On May 19, 2015, Gulfport Energy Corporation (“Gulfport”) filed an application with the Ohio Department of Natural Resources Division of Oil and Gas Resources Management (the “Division”) for unit operation of the Conway West Unit located in Belmont County, Ohio (the “Unitization Application”). Gulfport files this Second Supplement to Application to provide the Division with a complete Unitization Application, which reflects all changes to date. Of note, since Gulfport’s original Supplement to Application, Gulfport has secured leases with all of the previous unleased mineral owners in the Conway West Unit. Additionally, Steve Baldwin will be providing testimony as Gulfport’s reservoir engineer.

Respectfully submitted,
