ORDER NO. 2016-398

**TO: Gulfport Energy Corporation
14313 N. May, Suite 100
Oklahoma City, OK 73134**

**RE: Application for Unitization
Alpha East Unit
Belmont County, Ohio**

SUBJECT: Order for Unit Operations of the Utica/Point Pleasant Formations

Pursuant to Ohio Revised Code (“R.C.”) § 1509.28, the Chief of the Division of Oil and Gas Resources Management (“Chief” or “Division”) makes the following Findings and issues the following Order with respect to Gulfport Energy Corporation’s (“Gulfport”) Application for Unit Operations for the Alpha East Unit:

DEFINITIONS:

As used in this order:

- 1) “Person” has the same meaning as in R. C. §1509.01 of the Ohio Revised Code.
- 2) “Application” means the application of Gulfport Energy Corporation for Unit Operation of the Alpha East Unit filed December 15, 2015, and includes all updates, amendments, and supplements to it.
- 3) “Royalty interest owner” means a person or the estate of a person, other than a working interest owner, who owns the right to or interest in any portion of the oil and/or gas, or proceeds from the sale thereof, from a tract.
- 4) “Working interest” means an interest in oil and/or gas in the unit area by virtue of a lease, operating agreement, fee title, or otherwise, including a carried interest, the owner of which is obligated to pay, either in cash or out of production or otherwise a portion of the unit expense.

- 5) "Working interest owner" means a person or the estate of a person who owns an interest in oil and/or gas in the unit area by virtue of a lease, operating agreement, fee title, or otherwise, including a carried interest, the owner of which is obligated to pay, either in cash or out of production or otherwise a portion of the unit expense. "Working interest owner" does not include an unleased mineral owner.
- 6) "Unleased mineral owner" means a royalty interest owner who owns oil and gas rights free of a lease or other instrument conveying all or any portion of the working interest in such rights to another. At the time of the hearing, the unleased mineral owners include the persons listed on Exhibit C for the corresponding tracts in that exhibit.
- 7) "Consenting working interest owner" means any working interest owner who enters into an agreement with Gulfport pertaining to the operation of the Alpha East Unit. At the time of the hearing, Ascent Resources – Utica, LLC was the sole consenting working interest owner.
- 8) "Non-consenting working interest owner" means a working interest owner who does not enter into an agreement with Gulfport pertaining to the operation of the Alpha East Unit. At the time of the hearing, the non-consenting working interest owners include the companies listed on Exhibit D for the corresponding tracts in that exhibit.
- 9) "Gas" has the same meaning as in R.C. §1509.01 of the Ohio Revised Code.
- 10) "Oil" has the same meaning as in R.C. §1509.01 of the Ohio Revised Code.
- 11) "Unit Area" means all of the lands, oil and gas leases and/or oil and gas interests of twenty-nine (29) tracts as shown in Exhibit B totaling 195.87 acres located in York Township, Belmont County, Ohio as shown in Exhibit A.
- 12) "Unit Participation" means the ratio of the surface acreage of a specific tract in the unit area to the total surface acreage of the unit area as that total surface acreage is specified in paragraph one of the Plan for Unit Operations of this order.

BACKGROUND:

- 1) Gulfport has filed the application pursuant to R. C. §1509.28 to operate as a unit the Utica/Point Pleasant Formations at an approximate true vertical depth located from fifty (50) feet above the top of the Utica Shale to fifty (50) feet below the base of the Point Pleasant Formation. The application includes a Unit Agreement, Model Form Operating Agreement and relevant exhibits. The Application also includes the pre-filed testimony of the following Gulfport employees: Michael Buckner, geologist; Danny Watson, reservoir engineer; and Jenae Allert, landman.
- 2) Pursuant to R.C. 1509.28, the Division held a hearing on May 18, 2016, in Columbus, Ohio at the Ohio Department of Natural Resources ("ODNR"), to consider the need for

the operation as a unit of an entire pool or part thereof. At the hearing, Gulfport employees Buckner, Watson, and Allert confirmed their pre-filed testimony and answered questions posed by Division staff members.

FINDINGS:

- 1) Based on the application and testimony by Gulfport's employees, the Chief finds that Gulfport has established that it is the "owner," as that term is defined in R.C. 1509.01(K), of greater than sixty-five percent (65%) of the land area overlying the pool in the Alpha East Unit as required by R.C. 1509.28(A).
- 2) Based on the application and testimony by Gulfport's employees, the Chief finds that the operation of the Alpha East Unit is reasonably necessary to increase substantially the ultimate recovery of oil and gas.
- 3) Based on the application and testimony by Gulfport's employees, the Chief finds the value of the estimated additional recovery of oil or gas from the Alpha East Unit exceeds the estimated additional cost incident to conducting the operation of the Alpha East Unit.

ORDER:

IT IS HEREBY ORDERED:

Pursuant to R.C. 1509.28, Gulfport is authorized to conduct operations within the Alpha East Unit in accordance with all of the following:

Plan for Unit Operations

- 1) The unit area is comprised of twenty-nine (29) tracts totaling 195.87 acres in York Township, Belmont County, Ohio, as shown on Exhibit A.
- 2) Gulfport proposes to drill one (1) well from a single pad site in the Alpha East Unit for the purpose of recovering oil and gas. Drilling operations shall commence in the unit area within twelve (12) months from the date of approval of this Order. In order to achieve the stated goal of substantially increasing the ultimate recovery of oil and gas from the Utica/Point Pleasant Formations within the unit area, Gulfport shall produce from one (1) well no later than two (2) years after the date of approval of this order. If Gulfport fails to drill, complete, and produce at least one (1) well in the unit area, the Chief may amend or terminate this order. Any additional wells permitted by the Chief for the Utica/Point Pleasant Formations in the unit area are subject to this order.
- 3) Evidence introduced by Gulfport at the Alpha East Unit hearing establishes that the Utica/Point Pleasant Formation uniformly underlies the unit area. Therefore, the allocated share of production to each tract shall be equal to that tract's unit participation.

- 4) Except as provided in Paragraph 9(d) of this order, all charges and credits made for investments in wells, tanks, pumps, machinery, materials, and equipment shall be allocated among the working interest owners of each tract based on the unit participation. The proportionate share of the expenses attributable to tracts of the unleased mineral owners shall be allocated to Gulfport and the working interest owners.
- 5) All unit operation expenses shall be charged to, and paid by, Gulfport and working interest owners in amounts based on the unit participation plus their proportionate share of the expenses attributable to the tracts of unleased mineral owners. All unit operation expenses concerning wells and operating equipment shall be just and reasonable.
- 6) If necessary, Gulfport and the consenting working interest owners shall carry, or otherwise finance, any non-consenting working interest owners who are unable to meet their financial obligations in connection with the unit operations. Gulfport and all other consenting working interest owners' reasonable interest charge for carrying or financing the non-consenting working interest owners shall be determined by the terms of Gulfport's Unit Agreement and Model Form Operating Agreement for the Alpha East Unit. Once a specific cost is charged to the initial well, that same cost cannot be charged to subsequent wells in the unit area.
- 7) Gulfport shall supervise and conduct all unit operations. Each working interest owner shall have a voting interest equal to its Unit Participation. Approval of unit operations shall be subject to the terms of Gulfport's Unit Agreement and Model Form Operating Agreement for the Alpha East Unit.
- 8) Unit operations may commence as of 7:00 a.m. on the day following the effective date of this order. Once the initial well is placed into production, operations within the Alpha East Unit may continue as long as hydrocarbons are produced from any well in the unit area without a cessation of more than ninety (90) days, unless otherwise approved by the Chief in writing. The Alpha East Unit may be terminated if working interest owners owning at least fifty-one percent (51%) of the working interest in the unit area determine that the unit operations are no longer warranted. If the unit operations are so terminated, Gulfport shall provide written notice of the termination to the Division and to all unleased mineral owners. In the event that termination of unit operations occurs prior to drilling and completing for production of one (1) well in the Alpha East Unit, the Chief may amend this order.
- 9) The following additional provisions are found to be appropriate:
 - a) No activity associated with the drilling, completion, or operation of the Alpha East Unit shall be conducted on the surface of any unleased property without the prior written consent of the owner of the surface rights of the unleased property.

- b) Unleased mineral owners shall not incur liability for any personal or property damage associated with any drilling, testing, completing, producing, operating, or plugging activities within the Alpha East Unit.
- c) Each unleased mineral owner shall receive a monthly cash payment equal to a one-eighth (1/8) landowner royalty interest calculated on gross proceeds. Allocation of the one-eighth (1/8) landowner royalty shall be based on the unit participation of each unleased mineral owner's tract. Gulfport shall make royalty payments to all royalty interest owners at the same time.
- d) In addition to the royalty payment, each unleased mineral owner shall receive a monthly cash payment equal to a seven-eighths (7/8) share of the net proceeds from production. Allocation of the seven-eighths (7/8) share shall be based on the unit participation of each unleased mineral owner's tract. After the working interest owners recover a reasonable interest charge equal to 200% of the cost of drilling, testing, completing, and producing the initial well, the working interest owners shall begin making such monthly payments for that well. For each additional well drilled in the unit area, the working interest owners shall begin making monthly payments equal to seven-eighths (7/8) share of net proceeds from production to each unleased mineral owner once the working interest owners have recovered a reasonable interest charge equal to 150% of the cost of drilling, testing, completing, and producing. Once a specific cost is charged to the initial well, that same cost cannot be charged to subsequent wells in the unit area.
- e) Nothing in this order prohibits the unleased mineral owner from entering into a lease agreement with Gulfport pursuant to terms agreeable to both parties. An unleased mineral owner who enters into a lease with Gulfport after the issuance of this order is no longer an unleased mineral owner under this order as of the effective date of the lease. Gulfport shall notify the Division upon the execution of a lease agreement with any unleased mineral owner who is subject to this order.
- f) Except as provided in Paragraph 9(d) of this order, no expenses shall be paid by an unleased mineral owner for drilling, testing, completing, producing, or operating any well in the unit area. Moreover, the unleased mineral owner is not responsible for any costs related to plugging any well in the unit area.
- g) If requested in writing by any unleased mineral owner or by any non-consenting working interest owner, or in any manner by the Division, Gulfport shall provide, not later than thirty (30) days after the request, any of the following:
 - i. A monthly statement of all costs incurred, together with the quantity of oil and gas produced, and the amount of proceeds realized from the sale of production during the preceding month; and
 - ii. Any authorization for expenditure (AFE) prepared by Gulfport; and

- iii. A statement of all costs and expenses for purposes of Paragraphs 6 and 9(d) of this order.
 - h) Gulfport shall notify the Division of the assignment or transfer of any of its working interest in the Alpha East Unit. If Gulfport assigns or transfers any of its working interest, the assignee or transferee shall comply with this order.
 - i) Gulfport shall notify the Division if a tract that is leased by Gulfport, or any other consenting working interest owner, for purposes of operating the Alpha East Unit becomes an unleased tract. If Gulfport or the consenting working interest owner is unable to enter into lease agreement for the unleased tract, Gulfport must submit a request to the Division for an amendment of this order, which will include a new hearing before the Chief.
 - j) Gulfport shall notify the Division if any consenting working interest owner revokes, rescinds or otherwise terminates the agreement with Gulfport pertaining to the operation of the Alpha East Unit. Gulfport shall also notify the Division if any consenting working interest owner assigns or transfers all or part of its working interest in the Alpha East Unit.
 - k) Gulfport shall notify the Division if any non-consenting working interest owner enters into an agreement with Gulfport pertaining to the operation of the Alpha East Unit.
- 10) This order is not effective unless and until Gulfport provides the Chief with final written approval of the unit operations as prescribed in this order by Gulfport and consenting working interest owners, and also by the royalty interest owners or, with respect to unleased acreage, unleased mineral owners of sixty-five percent (65%) of the acreage to be included in the unit. Upon receipt of this approval, this order shall become effective, and unit operations may commence as set forth above. In the event that Gulfport fails to provide all required approvals within six (6) months after the issuance date of this order, the order will be deemed revoked, and the Chief shall provide notice of the revocation to Gulfport and to all persons listed in Exhibit B to this order.
- 11) In the event that this Chief's Order is appealed, the time periods as specified in this order are tolled pending final determination of the appeal.
- 12) Within twenty-one (21) days of this order becoming effective, Gulfport shall file a copy of this order with the Belmont County (Ohio) Recorder's Office, in the records of each of tracts that are subject to this order and referenced in Exhibit A of this order. Gulfport shall submit a certification of the filing to the Division within fourteen (14) days of filing. The certification shall include a reference to the volume and page number corresponding to each record where the Chief's Order is recorded.

- 13) The Chief of the Division retains continuing jurisdiction over the Alpha East Unit as is consistent with the Chief's powers and duties as established by R.C. Chapter 1509 and Ohio Admin. Code 1501:9. The Chief reserves the right to amend this Order subsequent to the commencement of unit operations within the unit area.
- 14) Except as specifically set forth in the terms of this order, nothing herein shall be construed as a release or waiver of any private right, obligation, duty, claim or cause of action.
- 15) In the event of a conflict between this Chief's Order and Gulfport's Unit Agreement and Model Form Operating Agreement attached to the application, this Chief's Order shall take precedence.

Date 11/16/16

Richard J. Simmers, Chief
Division of Oil and Gas Resources Management

Addressee is hereby notified that this action is final and effective and may be appealed pursuant to Section 1509.36 of the Ohio Revised Code. If the Order is appealed to the Ohio Oil and Gas Commission, the appeal must be in writing and must set forth the Orders complained of and the grounds upon which the appeal is based. Such appeal must be filed with the Oil and Gas Commission, 2045 Morse Road, Building H-3, Columbus, Ohio 43229-6693, within thirty (30) days after receipt of this Order.

In addition, within three (3) days after the appeal is filed with the Oil and Gas Commission, notice of the filing must be submitted to Richard J. Simmers, Chief, Division of Oil and Gas Resources Management, Ohio Department of Natural Resources, 2045 Morse Road, Building F-2, Columbus, Ohio 43229-6693.
