SECOND SUPPLEMENT TO APPLICATION

On May 19, 2015, Gulfport Energy Corporation (“Gulfport”) filed an application with the Ohio Department of Natural Resources Division of Oil and Gas Resources Management (the “Division”) for unit operation of the George Southeast Unit located in Belmont County, Ohio (the “Unitization Application”). Gulfport files this Second Supplement to Application to provide the Division with an up-to-date complete version of the Unitization Application. Of note, Gulfport’s title records now reflect that the Jenewein Heirs do not have a potential interest in Tract 28, by virtue of a previous deed. Additionally, Gulfport has entered into a lease agreement with Norfolk Southern Railway Corporation for their interest in the George Southeast Unit.

Respectfully submitted,
